

## **13th annual National BioEnergy Conference**

The Irish BioEnergy Association are delighted to announce their 13th annual National BioEnergy Conference, taking place on 6th February 2014 at the Louis Fitzgerald Hotel, Newlands Cross, Dublin. This year the conference will take a focused view on Ireland's bioenergy strategy to meet 2020 targets. The conference will be broken into four sessions to focus on key areas:

**Session 1:** Overall Policy

**Session 2:** Meeting 2020 renewable heat targets

**Session 3:** Meeting 2020 renewable transport targets

**Session 4:** Meeting 2020 renewable electricity targets
